Amoroso, Cathy has shared a OneDrive for Business file with you. To view it, click the link below.

 EMDF Discharge Limits factsheet r09-22-2021 R2.docx

I just added additional comment to the discharge limit fact sheet. I'm finished with my review.

I didn't review the WAC and siting fact sheets as I know you all have that covered.

Subject: DOE Fact sheets - Due back to DOE today...
Importance: High

Good morning:

I hope everyone is well and off to a great start.

Our mark-up/comments on the EMDF "Fact Sheets" are due today.

I have Cathy's mark-up and my comments. Emy you indicated that you were also working on a mark-up.

My question is "How do we want to send over our mark-up/comments?"

We have a couple of options – I just want to make sure that "we" have a collective plan and don't miss our opportunity to provide feedback.

1. I can send over Cathy's mark-up and my comments and Emy can send her mark-up separately.
2. I can send everything to Emy and she can submit our collective work.
3. Emy can send me her work and I can submit it.

Emy – this decision is really up to you. How do you wish to proceed?

I request that we resolve this and provide our materials before lunch today as my calendar is very full.

Thanks for your help with this,

Carl
